

ASBESTOS BAGS

PRODUCT GUIDE

Surepak supplies asbestos bags to suit every application. From large scale asbestos removals through to smaller removals, we have a bag to suit every application.

Australian Standards

The range of asbestos bags we supply feature printing which complies with the recently introduced GHS Regulations.

Sizing, Colour & Material Information

We supply 4 different sizes of asbestos bags.

Small	600x900mm
Medium	700x1100mm
Medium XL	900x1200mm
Large	1000x1500mm

Our asbestos bags are clear in colour and are printed with an asbestos warning in red. All of the asbestos bags we sell are 200um (microns) thick and made of heavy-duty, low-density polyethylene featuring welded seams. This will ensure the durability and safe containment of asbestos dust.
