

BUILDERS FILM

PRODUCT GUIDE

Surepak stock clear and black builders film to suit every application. Our builders film is widely used in the building and construction sector as well as the demolition and asbestos removal industry.

Australian Standard

Our standard black and clear film meets Australian standards for Medium Impact requirements. High impact film is available on request

Colour Options

We stock both Clear and Black options at our warehouses around Australia. We can also supply Orange film on request

Sizes

50um, 100um and 200um options available. Our standard width sizes are 2m and 4m. We can also weld rolls together to make larger widths on request

Did you know?
200um builders film is also used to encapsulate asbestos debris.

About us

Since 1986, Surepak has evolved from specialising in builders film to now having in excess of 750 product lines and continually growing. We strive to deliver high quality service and solutions. By doing so we have become a leading distributor of packaging products, packaging materials, specialist bags, plastic films and more. We take pride in our ongoing commitment to quality and customer service. As an industry leader, our experienced team is on hand to source specific products and to provide the most effective packaging solutions. Surepak has offices located in Melbourne, Sydney, Brisbane and Perth, which gives us the ability to distribute orders fast and efficiently Australia wide.
