

MEDICAL WASTE BAGS

PRODUCT GUIDE

Surepak stock medical waste bags to suit every application from retail use to wholesale use and more. With our wide variety of sizes and high quality we're able to provide clinical waste bags to suit your needs. We stock and supply Autoclave Bags, Clinical Waste Bags, Cytotoxic Waste Bags, Incinerate Waste Bags, Patient Clothing Bags, Sanitary Liners and Specimen Bags.

High Quality

Our medical waste bags are manufactured to the highest standards from high impact resins which provide outstanding bag and seal integrity at lower gauges. We were amongst the first to use organic colour additives which are toxin free on incineration.

Preferred Suppliers

Being preferred suppliers of clinical waste bags, our bags are currently used by hospitals, medical centres, clinical waste collection facilities and more.

Did you know?
Surepak is a major supplier of medical waste bags to hospitals and medical serviced throughout Australia

About us

Since 1986, Surepak has evolved from specialising in builders film to now having in excess of 750 product lines and continually growing. We strive to deliver high quality service and solutions. By doing so we have become a leading distributor of packaging products, packaging materials, specialist bags, plastic films and more. We take pride in our ongoing commitment to quality and customer service. As an industry leader, our experienced team is on hand to source specific products and to provide the most effective packaging solutions. Surepak has offices located in Melbourne, Sydney, Brisbane and Perth, which gives us the ability to distribute orders fast and efficiently Australia wide.
